K.C. 34-646

I have been advised by the United States Attorney's office at Topeka, Kansas, that these two subjects have been indicted at Fort Scott, Kansas, and asking if certified copy of indictment should be sent to your office.

Complaint was filed in the Kansas district when it seemed unlikely that prosecution would be successful in Oklahoma, on your report of this Agent, Kansas City, October 7, 1936. Our files do not reflect whether subjects have ever been turned over to the Government or that fugitives warrant for them was issued in Oklahoma. Assuming they are in custody in the State courts or can be located in your district I have advised the United States Attorney at Topeka, Kansas, to forward the certified copy of the indictment to you for such disposition as you may determine.

Yours very truly,

Dear Sir:

Re: Al Ayers, alias Herman Barker,

Reference is made to the entire file in the above case, particularly to the reports of Agent Denver H. Graham, dated August 27th, 1926, and Agent J. E. Fitzpatrick, dated September 30th, 1926.

The investigation by Agents Graham and Fitzpatrick indicates that in all probability these notorious outlaws have made an arrangement with certain County officers in this state and that by means of this arrangement, whenever these parties are arrested for any offense, these County officers, or some of them, appear on the scene with a fake warrant, by means of which they obtain custody of these outlaws, ostensibly to return them to Ottawa County, Oklahoma, but in reality to liberate them. This is apparently what happened at the time these subjects were arrested in Fort Scott, Kansas in possession of the automobile which is the basis of our present investigation.

I am enclosing herewith a copy of a letter which has been received by Special Agent Fitzpatrick from [redacted], and a copy of a letter from Agent Fitzpatrick to me.

As you are probably aware, there are certain County officials in Oklahoma who unfortunately protect criminals instead of prosecuting them. From all that I can ascertain [redacted] is reliable and has always cooperated with this office whenever requested to do so. Since it appears that [redacted] is making a bona fide effort to uncover misconduct in office on the part of certain officials in Ottawa County, Oklahoma, it occurs to me that

SYNOPSIS OF FACTS:

Cland Luper (Looper), who escaped from jail at Fayetteville, Arkansas, with Subject Norman Barker, has been apprehended and sentenced to eight years in the Arkansas State Penitentiary on charge of forgery and uttering and it is thought that he might furnish information of value in efforts to apprehend Subject Norman Barker.

FINDING.

REFERENCE entire file captioned as above.

DETAILS:

- At Fayetteville, Arkansas -

Henry Walker, Sheriff at Fayetteville, Washington County, Arkansas, has advised that Cland Luper (Looper) was apprehended several months ago in the vicinity of Tulsa, Oklahoma, after being shot up in a store burglary; that he was returned to Fayetteville, Arkansas, and sentenced to eight years in the Arkansas State Penitentiary on charge of forgery and uttering and is now serving said sentence.

It will be noted from previous report of this Agent, dated April 18, 1927, that this Cland Luper (Looper) escaped from the county jail at Fayetteville, Arkansas, at the same time and with Norman Barker, Subject of this file. (It is noted that through typographical error the name was given as Cland "Cooper" in that report). It appears that this man, Cland Luper, after his escape with Barker, accompanied Barker and worked with him, and possibly other members of the gang of outlaws in the vicinity of Tulsa, Okla., until the date of his arrest. Sheriff Walker has advised that Luper admitted that he had been with Barker during the period between the time they escaped from jail and the time he was arrested. Sheriff Walker has advised, however, that he was unable to obtain from Luper any information of value as to the whereabouts of Norman Barker or the means of locating him, but it is his opinion that if Luper were properly interviewed at the Arkansas State Penitentiary at this time that he might give some valuable information concerning the hang-out of Subject Barker and his probable whereabouts.

DETAILS:

The Denver Bureau office is in receipt of the following information from George J. Carroll, Sheriff, Laramie County, Cheyenne Wyoming, which contains the details of the killing of deputy sheriff, Arthur E Osborn on August 1st, 1927 in Laramie County:

~~CONFIDENTIAL~~

INFORMATION

On Osborn Murder.

Do not post.

On Monday August 1, 1927 a man using the name of R.D. Snodgrass walked into the American National Bank, a local bank of Cheyenne, Wyoming, and presented three American Express Company Traveler's Cheques which were cashed by the teller. As Snodgrass left the Bank, the teller referred to his memorandum on stolen American Express Cheques and noted that the Cheques he had cashed were listed as taken in a bank robbery at Buffalo, Kansas, in December 1926.

The Teller followed the man across the street to his automobile and advised him that the cheques were no good, and asked him to return the money. Snodgrass was backing his car away from the curb. He replied to the bank teller that he would drive around the block and stop at the Bank.

The Teller returned to the Bank but the man did not. The Sheriff's office was then notified and all nearby officers were given a description of Snodgrass and his woman companion, as well as a description of the car they were driving.

Deputy Sheriff Arthur Osborn who was located at Pine Bluffs, Wyoming, about forty miles east of Cheyenne on the Lincoln Highway, was one of the officers who received the message to be on the lookout for Snodgrass. Osborn immediately drove out on the Lincoln Highway about two and one-half miles west of Pine Bluffs. About thirty minutes later Osborn was found on the road by a Deputy Sheriff from Nebraska who happened along the Highway. He was unconscious and died a few minutes later.

A doctor's examination revealed that he had been shot through the body twice with a .32 automatic pistol. Osborn's revolver was in the holster and he had apparently been shot down when he signaled the driver of the car to stop.

All Officers within a radius of two hundred miles were notified by telephone of the murder and requested that all roads be covered. No trace was found of the Chrysler Coach until August 5, when a report was received by Sheriff Carroll that a Chrysler Coach was stalled in a mud hole Monday afternoon on the road leading from Bushnell, Nebr., to Sterling, Colorado. Several people who happened to be on this road assisted the man and woman in getting the car out of the mud. W.C. Rutherford, agent in charge of the American Express Co., assisted Sheriff Carroll in his investigations. Mr Rutherford had in his possession photos and description of several underworld characters, and among these photos was one of Elmer A Inman and Ace Pendleton, who were known to have had in their possession a quantity of the stolen Traveler's Cheques that were taken in the Buffalo Kansas bank robbery, and Inman's photo was identified by at least six or eight people who had seen the occupants of the Chrysler Coach. Inman was also identified by the bank teller as the man who had presented these cheques for payment. This identification is positive and we are also in a position to identify the woman described in our circular.

All Officers should make copies of the enclosed list of stolen cheques and request banks as well as business houses to be on the lookout for anyone presenting these cheques for payment. This detailed information is given with a view of assisting Officers in the search for Inman and his woman companion.

Mr. [redacted] conferred with Assistant United States Attorney Dan [redacted] and [redacted] and reviewed the relevant facts in the case in regard to the Buick car. Mr. [redacted] advised against prosecution, stating he is of the opinion that the evidence does not substantiate the charge, especially as the arresting officers are unable to assist in tracing the car or to give any definite information relative to it.

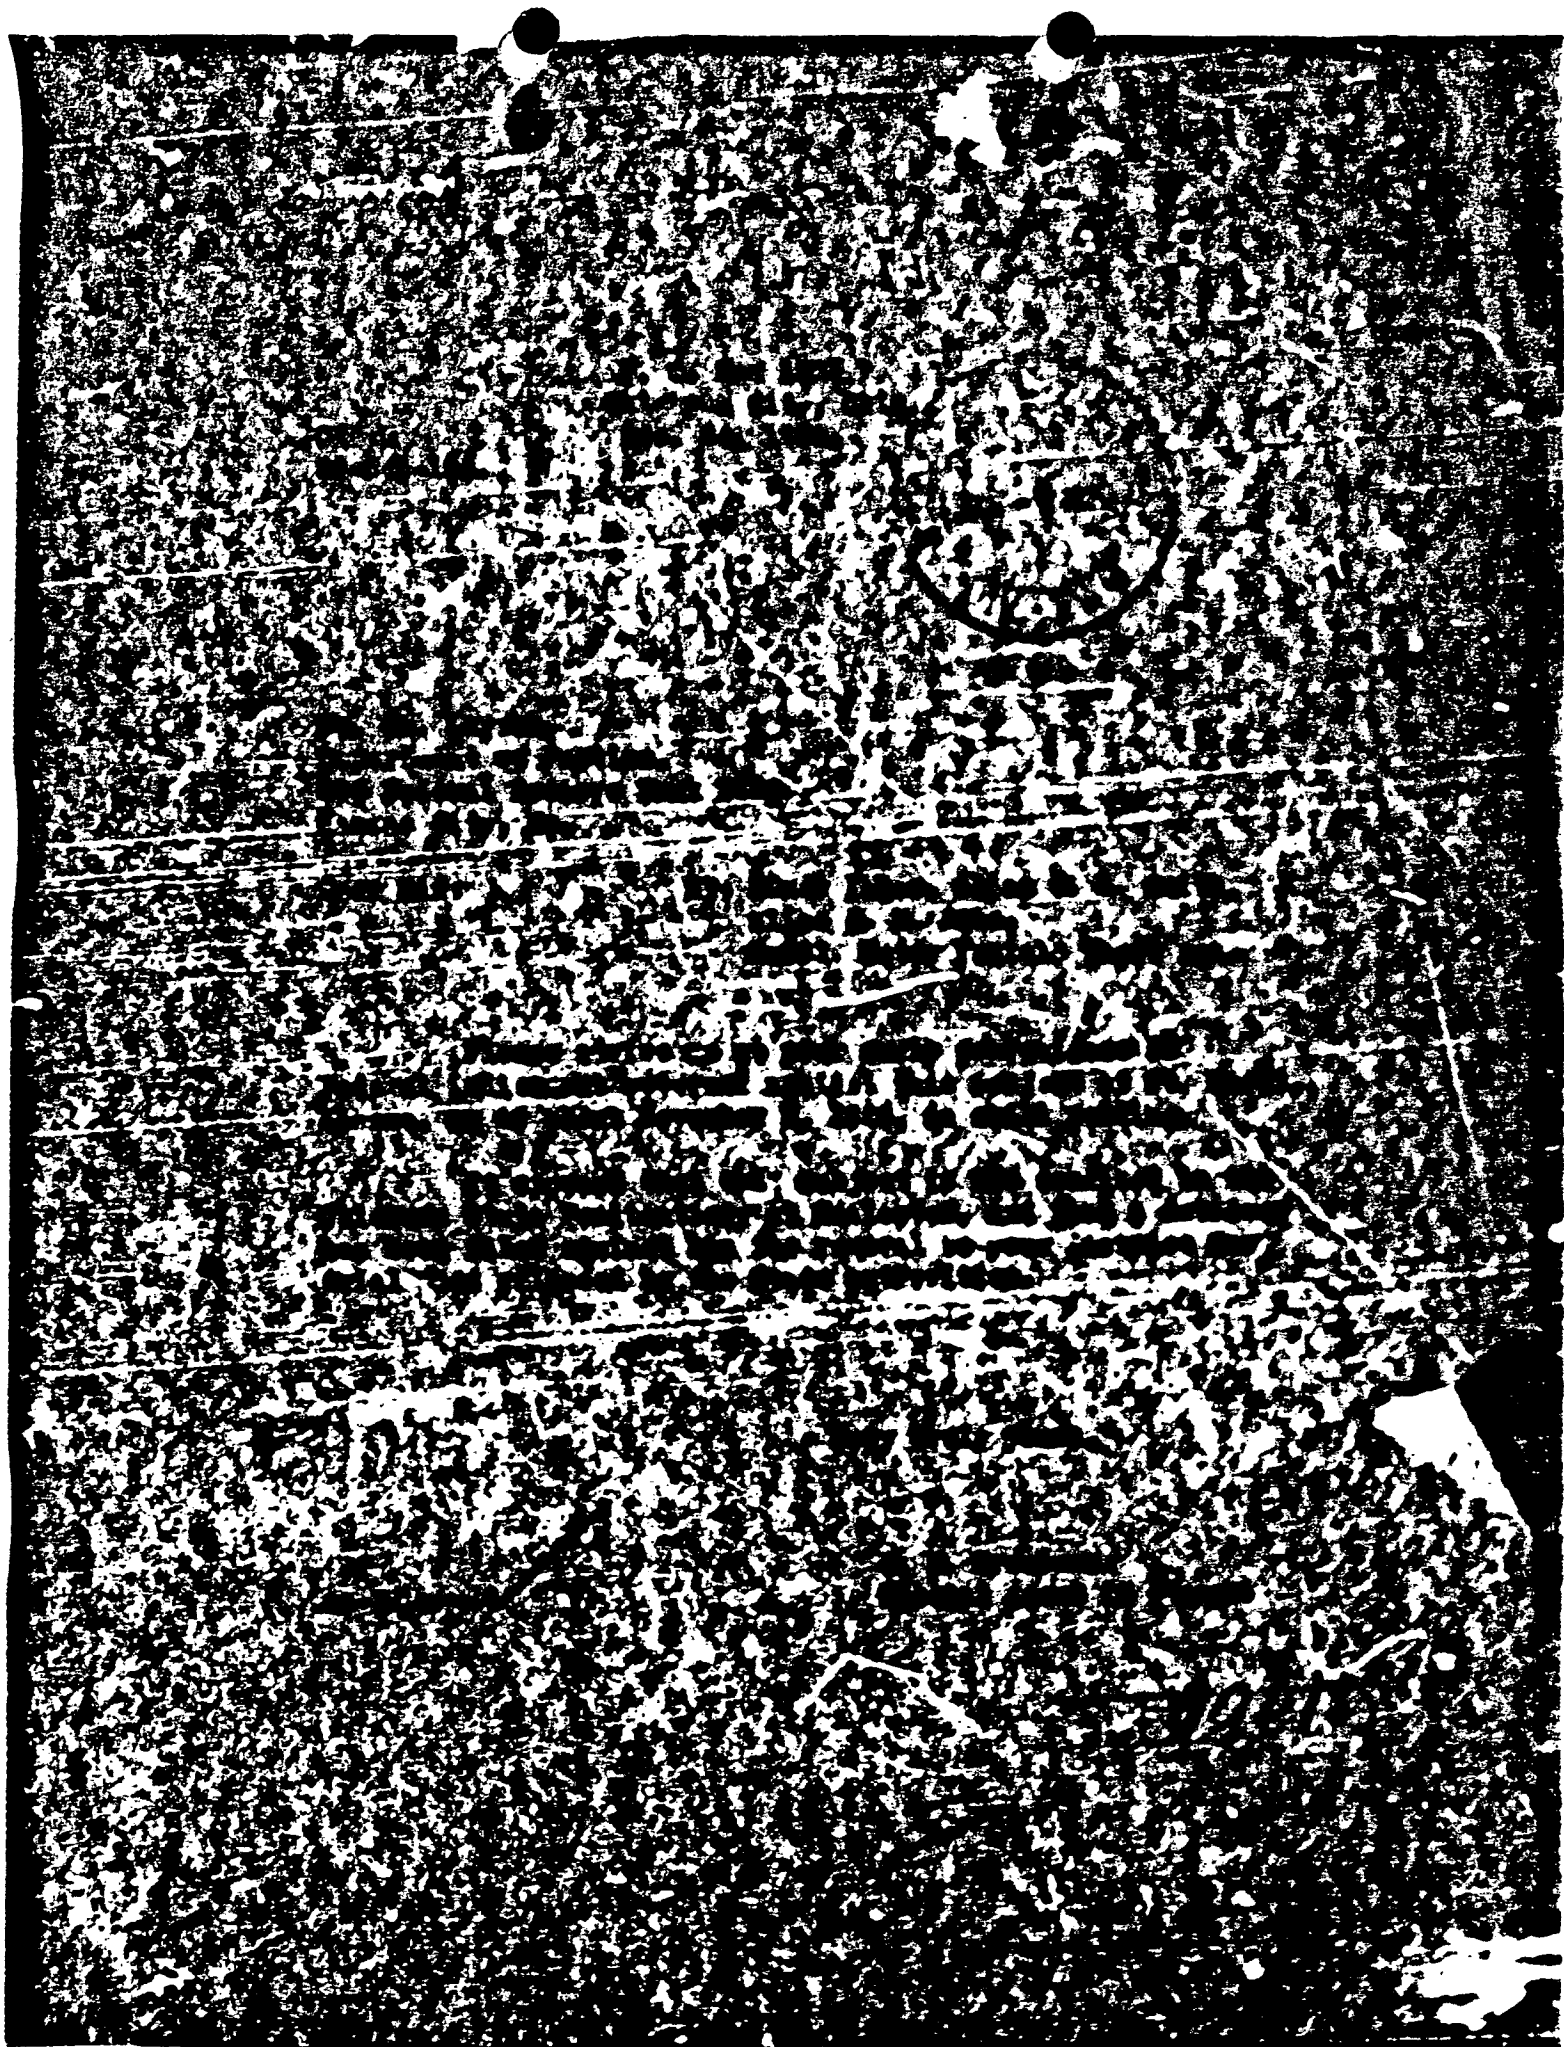

It will be noted in testimony of Special Agent J. H. Baker, stationed at Kansas City under date of March 20, 1935, that the investigation of Occurrence Kansas, failed to show that the Studebaker Sedan had been stolen, but reflected that it was the property of Subject Terrell. The report of Special Agent Decker, above referred to, discloses that Subject Thomas had title to the aforementioned Studebaker Sedan, owned at Hot Springs, Arkansas.

In view of the fact that Sub-C will not be prosecuted and the "correction" of it is in question, and that investigation fails to show the Sub-C was used to any great extent, the case is closed.

1927 Missouri License No. 483587 was obtained at the License Bureau, Springfield, Missouri. Subject not known to have been in or around Mountain Grove, Missouri, with Studebaker Sedan as Subject was confined in Oklahoma State Penitentiary for seven years, State Charge. U. S. DETAILS:

- at Mountain Grove and Springfield, Mo. -

Agent interviewed Postmaster Elvin Lee, Deputy Sheriff Charles Erwin, and C. J. Hinkle, Marshal, of Mountain Grove, who stated that Subject had not been in or around that city in a Studebaker Sedan or any other car. Postmaster Lee was of the impression that he had seen Subject at a Carnival and reported same to Marshal Hinkle who investigated same and found that the party thought to be Subject by Mr. Lee was not Subject.

Subject was reared in this community and was known by almost everyone and it is almost impossible for him to have been at Mountain Grove without his presence having been reported to the local officers.

Agent called on A. S. Zellweger, in charge of the Sub-license Bureau, Springfield, Mo., who stated that 1927 Missouri License No. 483587 was issued by him during the month of August, 1927 for Studebaker Sedan to A. J. Pittman. This is the car that Subject had in possession when arrested at Hot Springs, Ark., bearing above license number and it is believed that A. J. Pittman is the same given by Subject at the time he procured above license plate.
